

# Keep Your Hands Off It With ShoveIt!

## Non-Magnetic Suspended Load Control and Guiding

### FEATURES

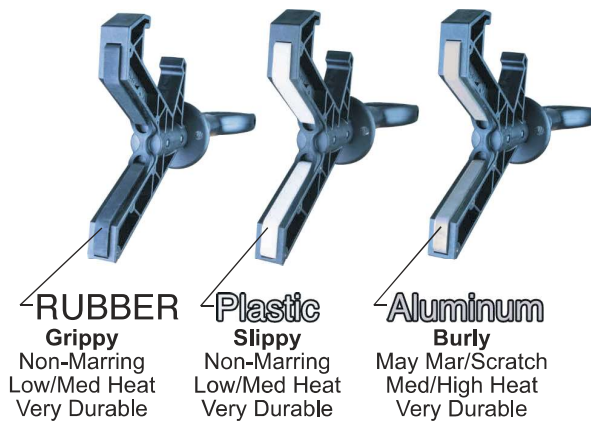

- Lightweight & strong
- Orange non-slip tool handle
- 5 length options
- 3 choices of inserts
- Hand guards
- D-handle or straight grip
- Made in USA

## SHOVEIT

This no touch hand safety tool helps workers avoid hand injuries while controlling suspended loads or maneuvering objects. While keeping workers at a distance, it enables users to guide loads, move and position pipes and tubulars, as well as grab slings and taglines without physically placing hands on the object.
